Become a Green Schools Student Ambassador/STEMbassador

The Green Schools Student Ambassador Program develops leaders with a passion for improving school communities while preserving our environment. Topics addressed in this program include: Environmental Health, Sustainability, Conservation, Renewable Energy, Waste Management, Green Jobs, and more. Students will actively work to improve their school and/or greater community by way of a customized service project. Students will also be asked to share timely information with your school/organization with regards to grants, awards, and special opportunities made available only through this program.

Senior Ambassadors [Grades 9-12]
Junior Ambassadors [Grades 6-8]
Elementary Ambassadors [Grades 2-5]
STEMbassadors [Grades 2-12]

We look forward to working with you and your students, and hope to be of service to your school and community!

Sincerely,
Robin Organ-Executive Director & Founder of Green Schools
