Shark Tank; Friends Of the Bridges House (FOBH) Edition

Description: Take a swim in the FOBH Shark Tank! A panel of judges (“Sharks”) are going to evaluate potential green project proposals for local schools. Proposals will be created by teams and ‘pitched’ to the Sharks – the top 4 winning teams will receive a prize.

The Setting:

Date: May 2, 2020
Location: The Bridges House, 21 Mountain Road, Concord, NH
Setup: Projector, laptop, & screen for team presentations; table & chairs for the “Sharks”, audience seating
Time: 11:00 am* - 3:00 pm (*Please arrive at 10:00 am for booth setup)
# of teams: TBD

Objective: Shark Tank, FOBH Edition, is a leadership and teamwork adventure that is intended to generate green project ideas for local schools. Through this program, participants will gain an understanding of a variety of skills related to leadership, communication, and teamwork while evaluating local school needs, and developing worthy green project proposals. Creativity is a must!

Instructions: Much like the televised Shark Tank, this is a competition where you are trying to pitch your idea to a panel of “sharks”. You will be working in (local school) teams, and will be required to develop a proposal for a green project that benefits your local school. Project ideas could address energy usage, water consumption, land use, food/waste, or other relevant category. You will develop your proposal at your home school. Your proposal/presentation must be in PowerPoint, Prezi, or other similar format, and must contain the following slides/content:

- Slide 1: Cover Sheet
  - Name of School
  - Name of Environmental/Sustainability Club
  - Names of team members
  - Project Proposal (Title/Description)
- Slide 2: Assessment of Need
- Slide 3: Cost/Benefit and/or Environmental Impact Statement
- Slide 4: Fund raising needs/ideas (beyond potential prize money)
- Slide 5: Implementation Plan/Schedule
- Slide 6: Contact Information
Shark Tank; Friends Of the Bridges House (FOBH) Edition

Your project proposal must be submitted electronically to events@projectgreenschools.org no later than April 15, 2020.

Presentations: On May 2nd, each team will have five minutes to present their proposal to the panel of “sharks”. The “sharks” will have the opportunity to ask questions upon the conclusion of each presentation. The top 4 teams with the best ideas will receive a cash prize to help fund their school project.

Good Luck!
