We are excited to announce the upcoming Project Green Schools’ Green Difference Awards 2024, hosted at the US Department of Energy in Washington, DC, on May 29, 2024. This event honors and recognizes outstanding students, schools, and organizations for making a significant impact in environmental stewardship and sustainability.

The program (in development) will include speakers from the Department of Energy, the Environmental Protection Agency corporate leaders, and industry luminaries. Award finalists and members of our Youth Council will attend from states across the US, including: AL, AR, AZ, CA, CO, CT, DC, FL, GA, IL, IN, IA, KY, LA, MA, MD, ME, MI, MS, NE, NH, NY, NJ, OH, OK, PA, RI, SC, TX, and VA.

Why Sponsor?

- **Corporate Commitment:** Showcase your commitment to developing the next generation of environmental leaders, supporting kids and educators who are making a green difference.
- **Visibility:** Your brand will be featured in event promotions, press releases, and on our website.
- **Networking:** Connect with government administrators, industry leaders and award winners.
- **Recognition:** Be recognized for your commitment and support of developing STEM skills, leadership capabilities and environmental acumen among K-12 students.

About Project Green Schools

The MISSION of Project Green Schools (PGS) is to develop the next generation of environmental leaders through project-based learning, community service, leadership development, and honor.

We BELIEVE students must be engaged at the intersection of science, technology, engineering and math (STEM), energy, environment and public health to develop sustainable solutions, employability, college and career readiness, knowledge and skills.

“Project Green Schools’ innovative programming will reduce greenhouse gas emissions, improve water quality, expand alternative transportation, and help our kids become the next generation of environmental leaders.”

– US Special Presidential Envoy for Climate, John Kerry
EMERALD SPONSOR | $50,000
