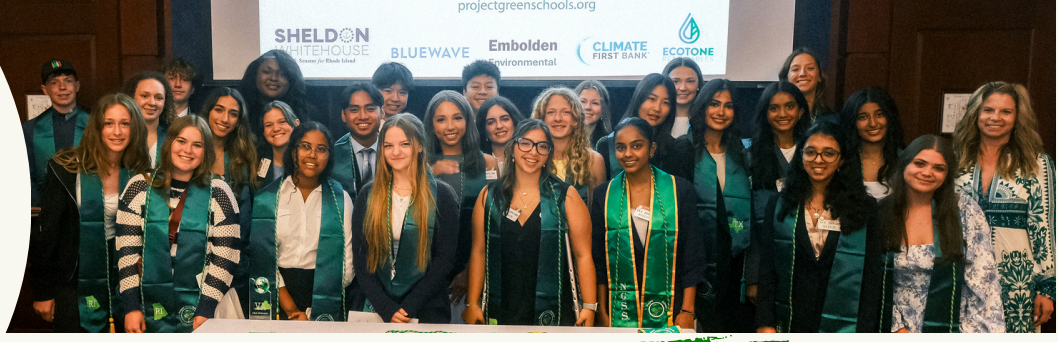
PROJECT Green Schools®

2026-2027

SPONSORSHIP OPPORTUNITIES



Invest in the Next Generation of Environmental Leaders

Project Green Schools develops the next generation of environmental leaders through education, leadership, project-based learning, community service, workforce development, and measurable action.

Our **2026–2027 Sponsorship Program** provides year-round opportunities to engage students, schools, educators, and communities across Project Green Schools programs and initiatives.

CONTACT US FOR ADDITIONAL OPPORTUNITIES

Customized partnerships can support:

Green Schools Society • National Youth Council • Race for the Planet • Green Difference Awards • Green Workforce Development • Environmental Education & Action • Scholarships & Awards • School & Community Grants • Employee Engagement

Regional, national, and multi-year partnerships can also be developed around a partner's priorities.

BE MORE THAN AN EVENT SPONSOR. BECOME A PARTNER IN IMPACT.

Together, we can educate, engage, and empower the next generation of environmental leaders while creating measurable impact in schools and communities.
